

INTER-TRIBAL ENERGY NETWORK AND U.S. DEPARTMENT OF ENERGY STRATEGIC PLANNING SESSION

December 4, 2001

David M. Blanchfield
Golden Field Office

THE DOE TRIBAL GOVERNMENT POLICY

- Emphasizes Government-to-Government Relations with Tribal Governments
- Affirms DOE's Trust Responsibility
- Mandates Pro-Active Consultation with Tribes
- Incorporates Executive Orders on Sacred Sites and Tribal Colleges
- Current Policy is on the DOE Website at <http://www.ci.doe.gov/indianbk.pdf>

BACKGROUND

Authority Granted Under **Section 2606 of Title XXVI of the Energy Policy Act of 1992** and the Special Relationship of the Federal Government to American Indians and Alaska Natives, and Directs All Federal Departments and Agencies to Increase Their Support to These Institutions on a Continuing Basis.

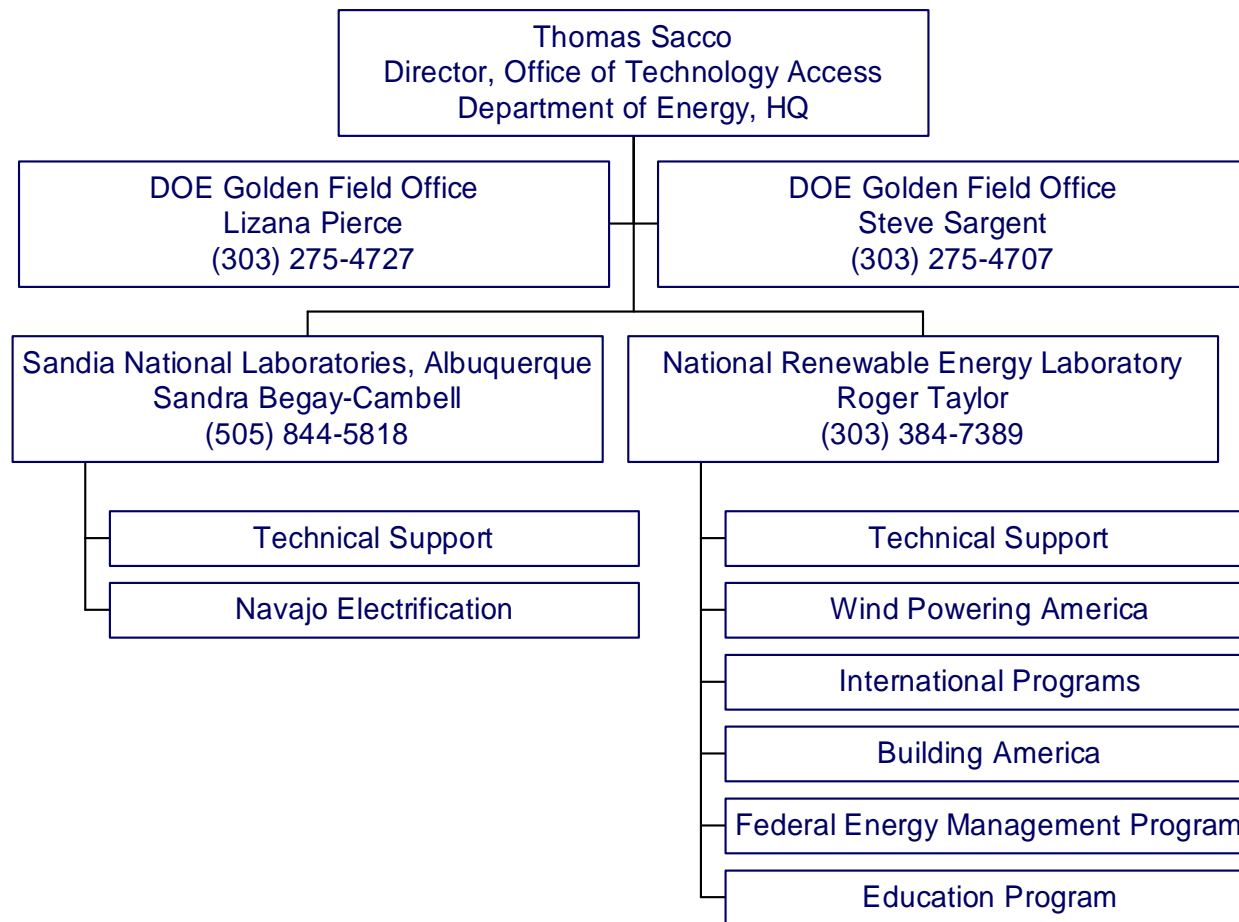

Section 2606 of Title XXVI of the Energy Policy Act of 1992 (P.L. 102-486):

- carry out projects to evaluate the feasibility of,
- develop options for, and
- encourage the adoption of energy efficiency and renewable energy projects on Indian reservations

The Act Itself Supports Both Fossil and Renewable Energy Development on Reservations
